PAID INTERNSHIP: DEVELOPING AND MANAGING RISK CONTROL TOOLS AS WELL AS ANALYSING AND REPORTING RISK DATA

Nr ref.: CR-RCT/CB/L/2016
Miejsce praktyk: Frankfurt/Łódź

Would you like to put your knowledge into practice?

We **offer you various internships** focused on developing and managing risk control tools as well as analysing and reporting risk data at an international bank. The focus of your internship can be agreed with our client taking into account your current experience and skills. The internships cover a large variety of either more technical- and data-related or business-related tasks, covering the entire risk control range of an international universal bank.

The assignment includes working with a multifaceted and international project, where you will get the opportunity to work closely with the risk department experts at our client Commerzbank AG. Frequent travel or permanent relocation to the client's office will therefore be necessary.

What are our requirements?

You are studying economics, business administration or comparable subjects and you will successfully complete your studies in the near future. A profound knowledge of macro- and microeconomics, as well as very good communicational skills (oral and written) are required. You are used to working with Excel and PowerPoint. Preferably, you also bring some experience in the handling of a large volume of data and databases or data analysis. Credit-related work experience at a bank would be a plus.

What is your profile?

You enjoy teamwork and you work in an independent, motivated and structured style. You bring analytical and conceptual skills as well as maximum self-responsibility. Very strong English skills are mandatory (level C1 oral and written communication).

**The duration of the internship is 3 - 6 months and can be freely chosen within 2016.
In your application, please indicate the possible period and duration of your internship.
The application deadline is 15th March 2016.**

ARE YOU INTERESTED?

Please send your application including CV and cover letter in English with Job reference number CR-RCT/CB/L/2016. We're looking forward to welcome you in new team!
