PAID INTERNSHIP: VALIDATION OF RATING MODELS FOR THE MEASUREMENT OF CREDIT RISK

Nr ref.: CR-RM/CB/Ł/2016
Miejsce praktyk: Frankfurt/Łódź

Would you like to put your knowledge into practice?

We **offer an internship** focused on the validation of rating models and other statistical models for the measurement of credit risk at a bank.

The assignment includes working within a multifaceted and international project, where you will get the opportunity to work closely with the model experts in the risk department of our client Commerzbank AG. Frequent travel or permanent relocation to the client's office will therefore be necessary.

What are our requirements?

You are studying mathematics, physics, mathematical economics or comparable subjects and you will successfully complete your studies in the near future. Solid knowledge of mathematical-statistical methods and equally as strong programming experience with a statistical software package (e.g. R or SAS) are required.

What is your profile?

You enjoy teamwork and you work in an independent, motivated and structured style. You bring analytical and conceptual skills as well as maximum self-responsibility. Very strong English skills are mandatory (level C1 oral and written communication).

The duration of the internship is 3 - 6 months and can be freely chosen within 2016.
In your application, please indicate the possible period and duration of your internship.
The application deadline is 15th March 2016.

ARE YOU INTERESTED?

Please send your application including CV and cover letter in English with Job reference number CR-RM/CB/Ł/2016. We're looking forward to welcome you in new team!
