CERI International belongs to Commerzbank Group.

PAID INTERNSHIP:
DEVELOPING AND MANAGING CREDIT RISK IT APPLICATIONS

Nr ref.: CR-IT/CB/Ł/2016
Miejsce praktyk: Frankfurt/Łódź

Would you like to put your knowledge into practice?

We **offer an internship** focused on developing and managing credit risk IT applications at an international bank. You will be working on complex calculation engines supplying the key risk parameters for, e.g., loan approval and loan pricing, reporting, risk control and capital management at a large universal bank.

The assignment includes working with a multifaceted and international project, where you will get the opportunity to work closely with the risk department experts at our client Commerzbank AG. Frequent travel or permanent relocation to the client's office will therefore be necessary.

What are our requirements?
You are studying computer science, business informatics, mathematics or comparable subjects and you will successfully complete your studies in the near future. Profound knowledge and experience in programming in C++ is required. Knowledge of/working experience with Oracle and with handling large databases, experience with mathematical modelling and/or practical experience concerning collaboration in IT-projects would be a plus.

What is your profile?
You enjoy teamwork and you work in an independent, motivated and structured style. You bring analytical and conceptual skills as well as maximum self-responsibility. Very strong English skills are mandatory (level C1 oral and written communication).

The duration of the internship is 3 - 6 months and can be freely chosen within 2016.
In your application, please indicate the possible period and duration of your internship.
The application deadline is 15th March 2016.

ARE YOU INTERESTED?

Please send your application including CV and cover letter in English with Job reference number CR-IT/CB/Ł/2016. We´re looking forward to welcome you in new team!
